Described as the most unique show in the world, twin brothers Anthony and Eddie Edwards take you on a journey of the most incredible reproductions of major stars in complete costumes, live singing, no gimmicks, just plain talent.

Two Brothers, 100 Stars! Performing Live, no lip-synching fully embody such stars as Barbra Streisand, Cher, Bette Midler, Billy Joel, Ray Charles, Neil Diamond, Elton John and many more. When you come out of TWINTASTIC, you have been through a jaw-dropping, unbelievable never-before-seen experience. It is hard to believe that two gentlemen could be this talented ... You have to see it for yourself.

Raised in Burbank California, the identical twins were fascinated with celebrities at a very early age. Living near the famous NBC TV studios in Burbank, they would sneak in and watch various TV shows being taped. At home, the brothers would then play together mimicking the stars and memorizing the skits from "The Sonny and Cher Show" "The Carol Burnett Show" and "Laugh In".

Television icon, Carol Burnett, played a major role in the Twins' success. When Eddie was performing on the premier of her TV show, she suggested that the two brothers combine their forces and do a show together. They took her advice they started to perform their own star-filled spectacular "Celebrities on Stage".

People Magazine Raved, "Flawless vocals and visuals, the Edwards Twins in many ways are better than watching the real thing." The host of THE NBC TODAY SHOW said, "It's the most phenomenal act I've ever seen in my lifetime."

Anthony and Eddie Edwards are considered by most of the major newspapers and magazines in the country as the most talented twin entertainment act in the world today. Whether it's playing piano, dancing, acting, singing or doing over 100 impressions of the top super stars in the world, The Edwards Twins will WOW all age groups.
