FOR IMMEDIATE RELEASE:

El Portal Theatre in association with 3000 Miles Off Broadway Productions (a division of Rock N Roll Inc.) proudly presents **Walk Like A Man: The Songs of Frankie Valli & the Four Seasons**, starring Val Martinez (formerly with the Four Seasons) at El Portal's Monroe Forum Theatre, in the NOHO Arts District, North Hollywood, CA. This exclusive engagement will run October 9 through 19, 2014, 10 performances only!

In their return to the El Portal, **Walk Like A Man** will remind you why the music of Frankie Valli generated millions of records, sold out crowds and even a Broadway show winning four Tonys including Best Musical.

The national touring show, commemorating the 50th Anniversary of the original release of the hit single 'Walk Like A Man,' combines the greatest hits with the most memorable periods of Frankie Valli's iconic career to tell the musical life and story in song of this astounding American legend - brought to life by the dynamic vocal harmonies and choreography of this exciting and entertaining quartet.

Led by world-renown tenor Val Martinez, who toured as one of the Four Seasons in Frankie Valli's solo tours, this power quartet delivers a high-energy fun tribute to the greatest music of an era. Joe Abraham from the "Walk Like A Man" cast is currently appearing in Clint Eastwood's new film "Jersey Boys."

Audiences will be taken back in time to experience the iconic songs of the era, including 'Sherry,' 'Big Girls Don't Cry,' 'Dec 63' and 'Dawn Go Away,'
